

the gulfstream g450

the details

The G450 is one of our most popular jets for both domestic and international travel. Based at Addison Airport, the G450 has a spacious cabin that seats up to fourteen passengers and cruises at a speed of 547 mph.

A great option for chartered trips to exotic destinations in the Caribbean, Central America and South America, this jet sleeps six for family trips and features a conference seating area for business trips. The unique exterior paint ensures you'll arrive in style.
