

the gulfstream g650

the details

The flagship of the Million Air Dallas modern charter fleet, the G650 is a large cabin, ultra long-range transcontinental private jet designed to fly far and fast. Offering a business edge to those whose time is valuable, the G650 will satisfy travelers who seek the best in everything they do.

With enough room to accommodate thirteen passengers, this modern cabin is both luxurious and comfortable. The G650 is perfect for in-air board meetings, transcontinental flights to Europe and Asia, or a leisurely family trip.
