

the legacy 650

the details

The Legacy 650 is one of the most technologically advanced business jets in operation today. The comfortable and quiet conference seating area makes it an ideal office in the sky.

From Addison Airport, the Legacy 650 travels at a speed of 525 mph. Seating thirteen, this jet is respected for its spacious cabin zones, three in all. Its coast-to-coast range makes it a popular option for corporate travel.
